Otto White Suffolk & Suffolk Stud *welcome* *you to our 6th Annual Sale*

We welcome returning buyers and new clients to our sale today. We are very pleased with our 2026 Sale Rams and confident they can help you raise excellent prime lambs. Our breeding program focuses on early growth ideal for the sucker market but also with the length and structure that enables you to grow your lambs out past that for the heavier markets.

The White Suffolk Rams include progeny off Detpa Grove ewes purchased at their 2025 Mated ewe sale. Warburn, Ella Matta and Somerset rams used in our 2025 AI Program. Proven performers OTTO 220736, 220742, 230410 and Warburn 220295 and Mertex 210564. As well as our young sires OTTO 240030 and 240041 who were used as Ram Lambs.

The Suffolk rams feature progeny from re-introduced AI sire Collie Hills 090021 who we previously used from 2013-2017 with excellent results. Pamellen "Bandit" 150090 through AI. Along with OTTO sires 211943, 222097, 222085 and 231026.

We sincerely thank you for your support,

David, Helen & Tom Lieschke.

**Congratulations David, Helen and Tom Lieschke
