Otto White Suffolk & Suffolk Stud

Welcome you to our 5th Annual Sale

We welcome returning buyers and new clients to our sale today. We are very pleased with our 2025 Sale Rams and confident they can help you raise excellent prime lambs. Our breeding program focuses on early growth ideal for the sucker market but also with the length and structure needed to grow your lambs out to 12 months. Genetics we have used in our White Suffolks have come from Detpa Grove, Warburn, Mertex and Waratah Studs. Our Suffolk sires are all Otto this year tracing back to Letts "Hercules".

We sincerely thank you for your support,

David, Helen & Tom Lieschke.

**Congratulations David, Helen & Tom Lieschke
on presenting an excellent line of
Suffolk & White Suffolk Rams.**
